Luxmuralis and Historic Royal Palaces present Crown and Coronation Tuesday 24th–Saturday 28th September, slots between 18:30-21:30

Come to Canterbury Cathedral to experience the splendour of Coronations and the Crown Jewels in this amazing new immersive light show. Crown and Coronation will bring the spectacle, significance and shared experience of Coronations to life, demonstrating the pivotal role of the Crown Jewels, part of the Royal Collection, within the ceremony.

The show will feature stunning imagery spanning more than 1,000 years of history, enhanced by the magnificence of Canterbury Cathedral – host to many kings and queens throughout its incredible history - where the projections and soundscape will sweep through the amazing interiors. The Crown Jewels, the objects at the very heart of the Coronation ceremony, will be projected through detailed footage and an emotive musical score, evoking the sensation of having a private audience with the magnificent collection.

Crown and Coronation has been created by Historic Royal Palaces – the charity that cares for the Tower of London - in partnership with Luxmuralis, as part of an artistic collaboration between artist Peter Walker and composer David Harper. Luxmuralis worked with Canterbury Cathedral in September 2023, with the hugely popular Renaissance show.

Crown and Coronation launched in November 2023 with a spectacular installation within the walls of the Tower of London, just months after the world witnessed the Crown Jewels in use at a Coronation for the first time in 70 years. The show is undertaking a UK-wide tour of famous landmarks and locations until December 2025.

Tickets: £16, Visit duration: 45-60 minutes, Entry timeslots available every 15 minutes from 18:30-21:30 Accessibility: the 18:30 entry slot offers step-free access and lower audio volume.

Farewell to members of the Choir

Today is the last day of the Choir year. The Choristers will attend Post-Eucharist drinks this lunchtime and then, at the end of Evensong, we will say farewell to those choristers and other members of the choir who are leaving us. We thank choristers Angus, Jeremy, Theodore, Cesar, Gabriel, Oren, Lauren, Adelaide, and Florence, and Choral Scholars Zachary, Caroline, Sonny and Oliver.

Music is central to our offering of worship to God in this place. We give thanks the work of David Newsholme, Jamie Rogers, Helen Brooks, the Lay Clerks, Choral Scholars and Choristers, as well as those who support them, in providing music of outstanding quality.

In thy house, great God, we offer of thine own to thee; and for thine acceptance proffer all unworthily, hearts and minds and hands and voices in our choicest psalmody.

Celebrating Saints' Days

Following the success of Taizé Prayer on Mondays since Lent (this service has now finished for the Summer), the clergy are reviewing what worship is offered during the day in the Cathedral and how best to communicate this to our wider community. To this end, from September until the end of the year, 12.30 Eucharists on Saints' Days will be discontinued. During this trial period, the regular pattern of 12.30 Eucharists will continue on Wednesdays and Taizé on Mondays, whilst we explore what range of services may be appropriate. Reverend Wendy would be pleased to have thoughts and feedback on any of this. Wendy.dalrymple@canterbury-cathedral.org

An appeal for old phones for refugees

From the Anglican Refugee Support Lead in Northern France, the Social Justice Network, USPG and Diocese in Europe, Bradon Muilenburg, who writes:

'Phones are greatly needed by refugees stuck in Northern France, and in extremely short supply. They can allow people to stay in touch with family far away, and to not be separated from family they are traveling with. In many different circumstances having a phone can reduce the dangers faced when someone is isolated, lost, and vulnerable. Since there is so great a need, your phone will be given to those assessed to be the most vulnerable by Refugee Women's Center volunteers starting with pregnant mothers. A phone can make all the difference in getting a woman to the hospital in time for her health, and to protect the life of her unborn child. Before donating:

1. Go into settings to factory reset the phone. On the ground associations have sim cards in stock. Phones that can be used with these are ones that are not locked to one network.

2. If you have the charger, please include it too; even if you don't, chargeless phones are welcome. Likewise, if you have extra chargers laying around, please donate them. We can find matches for them here them here (U.K. wall plugs not necessary).

There will be a collection box for phones in Cathedral House.

Taizé Trial Feedback, Monday 15th July 12.30pm Community Studio

During Lent this year we trialled a lunchtime service of Taizé Prayer on Mondays as part of our Pilgrimage of Prayer. This proved popular with both regular congregation and visitors so have continued the trial over the last couple of months. Now as we take a summer break I would very much like to meet with anyone who has attended to hear thoughts on the format, venue and any ideas about how we might grow a volunteer team around this service. Do please come along on Monday at 12.30pm to the Community Studio, bring a sandwich and I will bring cake! You are also welcome to send me your thoughts via email wendy.dalrymple@canterbury-cathedral.org
